Progress is underway and DDI-Canada is proud to announce the branding of our first development within the District of St. Mary's, "The Atlantic Shores Resort and Villas". Sales for the Atlantic Shores Resort and Villas will launch in the New Year. Engineers have conducted preliminary surveying of the resort property and construction of show homes and roads are to begin after the New Year. The team at DDI-Canada would like to thank the community for their continued support and wish everyone a Happy Holidays. For more information please email info@ddi-canada.com or call 902-482-1393. Why I Love Where I Live And Why I'm Proud Of Where I Come
From -by Morgan Pye

On a cold morning I watch the vapor rise off the water. And I'll go for a nice long walk with my rifle. I was born and raised in Ecum Secum Nova Scotia, and I take pride in where I come from. I love where I live for so many reasons I can't count them all on my hands and feet. But these three reasons I'm about to tell you are close to my heart. The kind people, the beautiful scenery, and my hunting grounds.

Firstly I love where I live because of the kind people. When you're walking down the road people always smile, wave, and say hello. In my community everyone knows everyone so if your dog's run away when someone sees them they bring them back. If anyone needs help you can always count on your neighbor. This is my first reason why I love where I live.

Secondly why I love where I live is because of the breathtaking heart stopping beautiful scenery. The spectacular views in my community are unreal almost like a dream. In the fall the massive trees change into magical colors this is my favorite time of year but.....It's magnificent all year round. New Chester is where you will find real beauty, as you drive by the river you can't help but stop and take it all in. But let's not forget the ocean, the wonderful ocean you can see from anywhere in Ecum Secum.

Lastly why I love where I live is because I live in the middle of the game country, the sticks. I hunt constantly, fish all the time it's who I am, partly because I'm native-MI'KMAQ. Hunting and fishing was born right in me and it works out perfectly because ecum secum is a great place to do it all. Everyone's welcome to come to ecum secum to hunt and fish, just not in my secret honey holes.

In conclusion I love where I live because of the kind people, the breathtaking scenery, and my close to home hunting grounds. I am so proud of where I live and come from, there's no other place I would rather grow up then in my home town.

St. Mary's District Food Bank

The Food Bank is in urgent need of financial assistance! The need for our service is increasing while at the same time, corporate and community fundraising is becoming more difficult. Please help. The need is great and the funds are very low. To make giving easier, automatic withdrawals may be made through a donor's RBC Sherbrooke account. To set this up, please see one of the customer service representatives at the bank. Also, at this time of year, please consider Giving the Gift of Sharing! If you give a donation to the Food Bank as a Christmas gift in the name of a friend or relative, we will send a card indicating that you have made a gift donation in their name. Tax receipts are available for donations of \$20 or more, or upon request. Please mail donations to: St. Mary's District Food Bank, P.O. Box 102, Sherbrooke, NS, B0J 3C0. If you have any questions or are in need of our service, please call 328-4148

S.H.O.P.S. "Fall"ing into Place

The Tree of Hope Campaign for Sherbrooke Opportunities Society, located in the new wing of St. Mary's Education Centre/Academy, is in full swing to benefit the developmentally challenged adults of our municipality as well as the community as a whole for meeting space. Due to an unforeseen communication issue with an outside source, we had to put our campaign on hold, but we are now back and ready to roll.

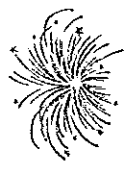

Close to \$300,000 already raised and another \$200,000 needed to complete the project. Government funding has paid for what is already complete and thanks to corporate and individual donations already made, we have just over \$79,000 to start the second phase of our campaign.

Our municipal campaign will start early in the New Year so please consider making a serious contribution. The 5-year pledge option is a great way to support on a budget. For example, a donation of \$1000 over five years is only \$200 per year and the tax credit makes it even less. If we can find 100 people to make this commitment we are half way to our goal already. Let's make this happen together!

Let Us Ease Your Pre-Holiday Stress

Are you looking for that last minute tax credit or Christmas gift for that hard to buy for person on your list then make a donation and we'll provide a donor card too. We also provide memorial cards for donations made in memory of a loved one who has passed away. Call Lisa MacDonald at 522-2079 (answering machine available) or email lisamac@seasidehighspeed.com
