THANK YOU The past number of months have been exciting, stressful and faith affirming. The support and encouragement I've received from the community has been amazing. People have let me into their homes, opened up to me, and ultimately elected me to represent them. This is not a task I take lightly. I will continue to work hard, stay true to my core beliefs, and try to make District 3/5 proud. I hope to do everything in my power to uphold the honor and responsibility that comes with this position. My family and friends have offered me more support, they gave me strength. My kids have been understanding, my friends encouraging, and my husband John has offered me nothing but love. Again, thank you to everyone who helped get me here, I won't let you down, I'll make you proud and above all I will be a representative of the people. Thank you. Kaytland Smith
