Join a Community Conversation

Warden Michael Mosher and Councillors from the District of St. Mary's invite you to attend a community conversation on Saturday, September 22nd from 9am - 12:30 pm at the S.H.O.P.S. room.

"We're partnering with Engage Nova Scotia to host this community event, one where you will have the opportunity to provide feedback that could lead to real change in our area," says Warden Mosher. "We worked together in 2016 to create a 10-year Strategic Plan, and we want to come together to review it and ensure that the goals and objectives still meet our shared needs."

The event is in partnership with Engage Nova Scotia, a non-profit committed to advancing collaboration and civic engagement in communities throughout the province.

"We're excited to head back to the District of St. Mary's. We are looking forward to revisiting the goals of the Strategic Plan, hear an update, and to work with you on where it is you want to go collectively," said Danny Graham, Chief Engagement Officer.

To register, either complete the registration form found in this newsletter and return it to municipal office or visit engagenovascotia.ca/engagesaintmarys to complete it online.

FIX-IT Fair

Calling all Recycling Crafters & Fixers of Things!!

Does it bother you to toss things into the landfill? Do you wish there was an alternative?

Do you **create** useful, unique and/or beautiful things out of discarded items, give **new life** to old/discarded furniture or clothing, **repair** computers, cell phones, small appliances, small motors or vacuum cleaners?

We need to hear from you!

A Fix-It Fair is coming to Sherbrooke on Sunday, September 9th from 11am to 3pm at the Shebrooke Village ball field. Same weekend as the 24th Annual Sherbrooke Show & Shine. A Fix-It Fair is a trade fair supporting local entrepreneurs and handy folks who repair and repurpose items as a business or hobby.

St. Mary's Municipality has a vast array of handy and creative people who regularly keep things out of the landfill by repairing or repurposing and we want to showcase you and share your knowledge and talent.

Tables are FREE for vendors and admission is FREE! Demonstrate your expertise by bringing projects or products to work on and/or offering how-to demonstrations or workshops throughout the day.

You can also sell your products or services on-site, distribute information and offer information to people who discover your expertise through this event.

If you are someone who creates crafts or products from reused goods or have a skill to repair or repurpose and are interested in selling or promoting your skill, please contact us to confirm a space or for more information. Debbie Feltmate 522-2281 / Lynn Hayne 522-2400.

This is a collaborative event with St. Mary Municipality, Sherbrooke Village and Clean Foundation.

Historic Sherbrooke Village Development Society News - It's fence painting time again.

There is an old saying that "Good Fences, Make Good Neighbors". We are asking people to become a "Good Neighbor" and help us to mend some fences. In 2006 the Historic Sherbrooke Village Development Society took responsibility for the Village fences and held their 1st "Good Fences Good Neighbors" campaign, at which time a mile and a half of fences were built and painted. Some of you may have noticed that deterioration of those fences suggests it's time to begin rebuilds and painting once again. We estimate that over half of the fencing will need replacing in the next several years.

YOU'RE INVITED: Fence Painting Party at Sherbrooke Village. Friday, September 14th from 1pm to 7 pm and Saturday, September 15 from 10 am to 3 pm. Meet at the Sherbrooke Village Courthouse for supplies and directions. Lunch/refreshments will be served. We realize that most people can't help for the entire time but we will be happy to have your help for as long as you can. Weather permitting. Rain date will be announced if required.
