

Meetings of Council

The next regular meeting of Municipal Council is Monday, December 11th, 2023 at the Municipal Office in Sherbrooke at 4:00pm. Committee of the Whole meeting will take place Wednesday, December 6th at 4:00pm in Council Chambers. Agendas, minutes and audio files are available at www.saint-marys.ca. The Municipal Office, St. Mary's RecPlex, and Transfer Station will be closed from December 25th to January 2nd.

Secondary or Backyard Suites

Did you know that secondary or backyard suites are permitted in St. Mary's anywhere a single detached dwelling permitted? Funding is available from the province for up to 50% of eligible project costs, to a maximum of \$25,000. The applicant needs to fund the remaining balance of the project. The funding provides a forgivable loan. Terms of up to 5 years are available. Funding for more than 1 secondary or backyard suite may be available. Eligible projects need to provide secondary or backyard suites that: (1) meet all municipal requirements (2) are on the property of the homeowner's primary residence. A primary residence must be a single-family home that meets health and safety standards. It also needs to have enough space to accommodate a secondary or backyard suite. For more information about funding visit www.beta.novascotia.ca. or call 1-844-424-5110. For more information about land uses in St.

MacMillan's Recyclable Pickup

Recyclable collection will take place on the second and fourth Saturday in December starting at 10am at the St.

The Municipality of the District of St. Mary's would like to wish everyone a happy holidays!

Be kind to yourself during the holidays. We're often our harshest critics, which can fuel isolation, avoidance, and self-judgment as we strive to meet unrealistic expectations or take care of our own needs. Understanding that perfection is elusive can provide a sense of relief and remind ourselves that we deserve patience, kindness, and grace during the holidays as well. Remember that mental health coaching or therapy is always an option, even as a way to plan for the stresses to come or in response to predictable holiday anxiety or depression. Either way, it's a sign of strength and self-love to reach out for help.

Helping Women Turn Food Skills into Businesses

A pilot project is helping women, especially newcomers to Nova Scotia, turn their cooking skills into successful local food businesses. The specialized program in cooking entrepreneurship (SPICE) helps women learn how to develop a business plan and follow regulations for running a food business. The Centre for Women in Business at Mount Saint Vincent University runs the program, which had its first graduates in the spring. Each eight-week session can train up to 10 women. There is no cost for participants, and they get ongoing support for up to a year. The Department of Agriculture provided \$5,000 for the program, and \$100,000 to help participants buy equipment for their businesses. More information can be found at <https://www.centreforwomeninbusiness.ca/learning>

The Province is taking action to make sure all Nova Scotians have access to cellular service, no matter where they live or travel. The government is investing \$47.3 million to start the new Cellular for Nova Scotia Program, which will expand telecommunications infrastructure and communications networks throughout the province. Build Nova Scotia will lead the program, which will include a comprehensive strategy to improve cell coverage for both civic addresses and roads. The strategy will involve partners across the telecommunications industry as well as other levels of government. For more information visit www.buildns.ca

Sherbrooke's Source Water

Wetlands are one of the most biodiverse habitats and support a wide range of human activities such as fishing, recreation, education, and aesthetic enjoyment. They also have important functions for both humans and wildlife such as: providing flood protection by absorbing sudden heavy precipitation or snowmelt; naturally improving water quality; act like a sink, that traps carbon and other chemicals.

A note of thanks from the Family of the late Beryl MacDonald (Sharon, Marvin, Pam).

Thank you everyone for the love and support you have shown us while attending mom's visitation, funeral, and burial. The kind words and happy memories shared were of great emotional comfort to us. Thank you to the community church that our mother so loved. To Sherry Harpell (organist), and Gordie and Judy MacDonald who lead us in song and sang a duet. The hymns sang were some of mom's favourites. Thank you to Rosemary Hiltz for reading one of mom's favourite scriptures, Psalm 91. Thank you to Pastor Terry Rideout for a heartfelt tribute to our mom, it was touching. Thank you to Sunset Rest Cemetery for your preparation of mom's final resting place next to our dad. Thank you for your ongoing maintenance of the cemetery. Thank you to Indian Harbour Lake-Jordanville Community Centre for hosting a wonderful celebration of mom's life while sharing food and great memories. The food was amazing and a true testament of community support. Everyone pulls together to help each other in happy and sad times, that was comforting to us. Thank you extended family members, brothers, sisters-in-law, grandchildren, nieces, nephews, cousins, and friends. It was comforting to have you there with us, thank you all. A special thank you to each and every member of the community of Indian Harbour Lake for sharing with us in tribute and celebration of our beloved mother's life. Mom and Dad loved their church, their community, and the people of Indian Harbour Lake and surrounding communities. Rest in peace, mother.

Thank you all. Love and peace.

Sharon, Marvin, Pam
