Warden's Message

Here we are in the Dog Days of Summer. No, it really has nothing to do with actual dogs, but it is a great time to get out and be active before that 'other' season approaches.

Our Recreation Department's softball season is underway with a great community response as is Day Camp. Thank you to everyone who attends and participates.

Speaking of participation, the St. Mary's River Days are coming up (August 8 & 9) with games, food, and the traditional cardboard boat races. I have been asked if I was going to submit an entry for the race but alas, my recycling has been set out already. However, I look forward to cheering on the brave mariners who will compete!

I know that this reminder is probably unnecessary however, please check the provincial burn map before you light any fires. If it's red that includes cozy little campfires not in a contained device. The groundcover and foliage is very volatile and your volunteer fire departments really don't need the extra business.

Enjoy the rest of the summer.

-Warden, James Fuller

Community News & Events

Thank You!

It turns out that it does take a community to build a school library! As I pull the door shut behind me for the last time, I want to thank all the people who had a hand in growing the school library collection at SMECA. The Curious Cat in Antigonish has been an unwavering supporter of our library. Special thanks to Donovan for sending many wonderful books our way. Thank you to my former school in Quebec for sending books to Nova Scotia for over 10 years. Thank you to the Municipality of the District of St. Mary's for the books that graduated from the Seeds of Literacy program and moved into our growing collection. Community members and anonymous donors supported us and enabled the purchase of diverse, relevant books. Parents donated money to the Scholastic Book Fair, ensuring no child was left behind. Students and staff members also gifted books to the collection. St. Mary's Regional Hospital donated file boxes which allowed us to curate the collection in the most creative ways. Community volunteers came in to help label the collections; some donated plants to our annual plant giveaway. Our local musicians came in, often twice a year, to offer a concert to the elementary students. The SMECA students take pride in their library, and many layers of our community helped make that happen. To all of you: my heartfelt gratitude for the adventure and for the enriching time with your children. It was a joy and a privilege.

Sincerely, Deborah Banks
