

Proof of Vaccination Update

September 23, 2021

The Province of Nova Scotia has designated public libraries as essential services.

This means that when the Proof of Full Vaccination Policy comes into effect on October 4th, proof of vaccination will NOT be required to enter our libraries.

All Nova Scotia Health measures and protocols will apply. The library will continue to adjust our services in accordance with public health measures.

You will still need Proof of Vaccination to participate in many other activities that bring people together starting October 4th. You can print yours at the library free of charge.

We sincerely appreciate your patience and understanding during these challenging times.

As public health protocols can evolve quickly, please stay up to date on services offered at ECRL by visiting ecrl.ca often, or by following ECRL on social media: facebook.com/ECRLibrary | twitter.com/ecrlibrary.
