Parade Safety Rules & Procedures

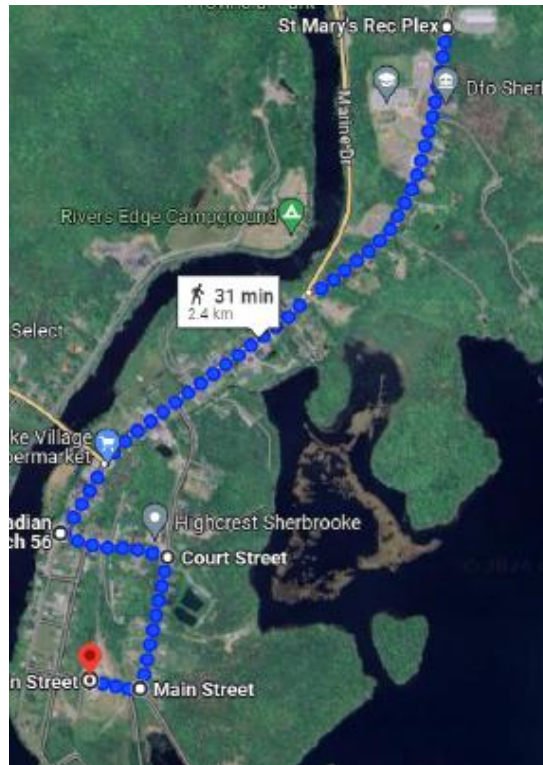

The ultimate responsibility for safety lies with each individual parade entry. Entries must follow all the listed rules and responsibilities and must adhere to any relevant government regulations, safety codes, manufacturers' recommendations, and similar standards necessary to safely operate floats and equipment.

1. All parade entries and floats must register with the Parade Organizers and appoint one person as a contact. This person must sign off on the safety waiver and rules.
2. All motorized parade entries must have current, valid liability insurance, inspection, and plates, and be driven by a properly licensed driver.
3. All entries must obey all applicable provisions of the Motor Vehicle Act.
4. The use of handheld devices while driving a vehicle is not allowed.
5. Once the parade has begun, no participant is allowed to get on or off a parade entry at any time for the duration of the parade.
6. Once the parade has begun, no entry may exit the parade route until the completion of the parade.
7. No entry is allowed to throw any items from a vehicle at any time during a parade.
8. Any entry with children on board must be accompanied by adults.
9. No participant may have limbs dangling from a parade entry. Sitting on the tailgate or box of a truck is not allowed.
10. Entries must not allow participants to approach their float, to retrieve items for example, once the parade starts.
11. Entries must follow the pace set by the lead vehicle and keep a safe distance between themselves and the entry ahead of them.
12. A maximum of one vehicle will be allowed per parade entry and must be decorated, except for classic cars.
13. The consumption of alcohol, cannabis or other illegal substances is prohibited before and during the parade. Anyone suspected of being in violation of this policy or impaired by illegal or legal substances will be asked to leave at once.
14. There will be no inappropriate music, including profanity, from entries. Music must be family friendly.
15. Any running generators must be certified and have a fire extinguisher on board.
