

Request For Proposal

Municipality of the District of St. Mary's

SUPPLY OF ULTRAVIOLET DISINFECTION UNIT SHERBROOKE, NOVA SCOTIA

Proposals are invited from suppliers for the above noted project electronically in PDF format. Electronic proposals are to be titled "Company Name – SMUV" and are to be sent to the email blatimer@straiteng.com, subject line "MODSM-UV-RFP". Electronic submissions will be accepted up until **4:00 pm on Wednesday, June 10th, 2020 (local time)**. It will be the Proponent's responsibility to ensure the Proposal submission is received electronically on time. Email submissions will receive a reply back email indicating Proposal submission has been received.

The purpose of the request for proposals is to select an Ultraviolet Disinfection Unit (UV) which will be specified in the tendering process for the STP Upgrades at the Sherbrooke sewage treatment plant. A future tender will choose a General Contractor who will carry out all aspects of the project including installation of the UV equipment.

Proposal Documents and any future Addenda can be found on the Nova Scotia Procurement website.

The Municipality of the District of St. Mary's reserves the right to reject any or all proposals, not necessarily accept the lowest proposal, or to accept any proposal which it may consider to be in the best interest of the Municipality. The Municipality also reserves the right to waive formality, informality or technicality in any proposal.
