Addendum No. 1
2023 Transfer Station Buildings Demolition

July 13, 2023

To all Potentials Proponents,

Please note changes to the scope of work:

Section 2.1:

The work will include the removal Building #1 and Building #2 as per Appendix A- Buildings Reference at the Municipal Transfer Station ~~and the existing concrete pads~~ including appropriate disposal of materials. The successful Contractor must prepare the site for new building construction, supply and install required labour, material, and equipment to complete demolition of the building as per scope.

- Amended to remove the provision of removing the concrete pads. These will remain onsite.

Section 2.3:

Remove and dispose of building structures, debris and content.

- Complete removal of building roofs and truss systems.*
- Complete removal of building exterior walls.*
- ~~*Complete removal of concrete foundation and slab.*~~
- Infilling and leveling of existing unused pits.*

- Amended to remove item c) Complete removal of concrete foundation and slab.

Marissa Jordan,

Chief Administrative Officer
